

Hydromist[®] 55

Spray extractors that are ideal for large area carpet cleaning.

IDEAL FOR CONFERENCE CENTRES OFFICES RETAIL PREMISES HOTELS

- **The Hydromist 55/100** is the economical way to clean large carpeted areas that are subjected to normal, day-to-day foot traffic, spills and stains.
- **The Hydromist 55/400** is the professional's choice for those tough, large area carpet cleaning jobs. The combination of an in-line heater and variable spray injection of up to 400 psi gives fast and efficient removal of embedded dirt and stains, leaving carpets fresh and clean.
- Powerful twin 2-stage vacuum motors that provide excellent solution recovery and minimise drying time
- Optional heavy duty stainless steel wand
- Optional tool for cleaning upholstery and curtains
- 50 litre solution tank to maximise cleaning capacity
- Integrated loading wheels for easy transportation
- Variable spray injection of up to 400 psi on 55/400 model
- Independent switches for motors, pump and heater
