

TruSweep 460

A compact manual sweeper that is perfect for small cleaning areas where power is not easily accessible or a powered sweeper is not affordable.

IDEAL FOR WAREHOUSES PARKING AREAS RETAIL PLAY AREAS COMMUNITY CENTRES

- Picks up Polystyrene, leaves, crisps, cigarette ends and other debris from hard floors
- Large 40 litre capacity for greater productivity
- Due to its lightweight and robust construction this sweeper is easy to operate and highly manoeuvrable
- 60 cm cleaning path provides maximum productivity
- The side brush sweeps debris into the path of the main brush for pick-up
- The main brush pressure can be adjusted to suit floor conditions and types of debris
- Sweeping performance of up to 2600 m²/h
- The innovative anti-wrap technology prevents threads, wires and long thin materials from getting wound on the brush shaft
- Suitable for indoor and outdoor use
- Folding handle for easy storage
