GLOBAL FLOORCARE SOLUTIONS

**SIMPLE TO USE.  
EASY TO MAINTAIN.**

Truvox International is a leading global manufacturer and supplier of commercial and industrial floorcare machines, based in Southampton, England.

Visit our website

**TRUVOX.COM**

With a history dating back to 1960, Truvox has earned a strong reputation for producing innovative and reliable cleaning solutions, becoming the first choice in floorcare equipment in over 70 countries worldwide.

We offer a wide range of well-established brands and machines, including Orbis single disc machines, Hydromist carpet cleaners, Valet vacuums, Multiwash scrubbers dryers and Cimex Three Brush Technology. Our products are designed to tackle various cleaning challenges and meet the highest standards of quality, efficiency, and durability.

Providing efficient and effective solutions to meet cleaning needs in a range of sectors, including facilities management, healthcare, education, retail, and leisure.

### We are Tacony

We are proud to be a part of the Tacony Corporation, who offer a diverse line of products and services and specialise in the distribution and marketing of products in sewing, home floorcare, and commercial floorcare.

### What sets us apart?

We accept nothing less than the highest quality products, top performance, and excellent service. Our dedication to our customers does not stop at the sale. We are committed to exceeding the expectations and needs of our customers.

# MULTIWASH™ PRO STEAM

The Multiwash PRO Steam not only provides exceptional cleaning results due to its counter-rotating brushes, but with the additional steam function will sanitise floors, killing up to **99.99%** of bacteria.

**SIMPLE**  
Easy to use, manoeuvre and maintain.

**POWERFUL**  
Counter-rotating cylindrical brushes scrub and lift dirt, giving a more hygienic and deeper clean.

**EFFICIENT**  
Wash, scrub and dry in just one pass, leaving floors ready to walk on in seconds.

**VERSATILE**  
Effective on all floors with brushes available for carpets, hard floors and entrance matting.

**HYGIENIC**  
Tested in a certified lab to remove >99.99% of S. aureus, E. coli, P. aeruginosa and B. subtilis bacteria.

**ACCESSORIES**  
7 litre solution tank for greater productivity.

Trolley allows for easy transportation.

Side brush allows you to clean right up to the edge.

**PRODUCTIVE**  
Giving a quicker and more effective clean than traditional cleaning methods, saving you time and money.

**INFECTION CONTROL**  
With the addition of the steam, dirt and grime will be removed easier than traditional cleaning methods.

# MULTIWASH™ PRO

A range of scrubber dryers that are simple to use, cost-effective and provide exceptional cleaning results after just one pass.

## NEW PRODUCT

### MULTIWASH™ PRO BATTERY

The Multiwash PRO Battery provides exceptional cleaning results with a 2 hour run-time. Ideal for areas without power and minimises the risk of trips from trailing power cords.

#### BATTERY POWERED

Run-time of up to 60 minutes giving excellent productivity and with no trailing cables, it minimises the risk of trips and slips.

#### FAST CHARGE BATTERY

With a 2 hour charge time and a quick change battery system, there will be minimum down time when charging.

#### EFFICIENT

Exceptional pick up of solution that leaves floors ready to walk on in seconds.

Model		MULTIWASH™ PRO 340/BATTERY

\*Water feed tube required for the solution tank is only fitted as standard on the 200 & Duo models.

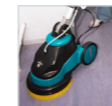

## ORBIS COMPACT

A compact single disc machine that offers effective cleaning of carpets and hard floors in confined areas.

### COMPACT

Lightweight at only 22kg and with a 28cm brush diameter, it provides easy manoeuvrability in smaller areas.

### EFFECTIVE

High brush pressure for effective scrubbing of hard floors.

### SIMPLE

Simple controls and an in-line motor making the machine easy to manoeuvre. Plus, folding handle for easy transportation and storage.

## ORBIS

A powerful range of single disc machines, that offer exceptional handling and productivity for cleaning and polishing hard floors.

### ERGONOMIC

Soft start motor system, low vibration levels and adjustable handle for operator comfort and ease of use.

### VERSATILE

Available in 2 cleaning widths: 15 inch (38cm) & 17 inch (43cm) Available in 200 rpm, 400 rpm and Dual speed.

### HEAVY DUTY

200 rpm heavy duty model available with 8kg weight to give increased pad / brush pressure for more aggressive cleaning.

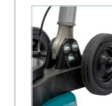

## ORBIS DUO

This machine combines the best features of the 200 and 400 single speed machine.

### DUAL SPEED

Offering two machines in one, the Orbis Duo offers a highly cost-effective solution for cleaning & polishing hard floors.

### EFFICIENT

Large wheels for easy transportation. Plus, low motor height gives access under low furniture.

### EFFECTIVE

High pad / brush pressure for effective cleaning.

## ORBIS UHS 1500 FOLDING HANDLE

An ultra high-speed single disc burnisher that delivers high productivity and high quality polishing results.\*

### SIMPLE

Delivered preassembled with handle and ready to use.

### HIGH PRODUCTIVITY

43cm working width and straight line operation for maximum productivity.

### EFFECTIVE

Built-in floating pad assembly gives full pad contact. Plus, centre guide wheel for up to edge burnishing.

## ORBIS UHS CORDLESS BURNISHER

A battery powered, ultra high-speed burnisher designed for daytime cleaning and provides exceptional 'wet look' burnishing results.\*

### CORDLESS

Up to two hours burnishing on a single battery charge.

### EFFECTIVE

Burnishing at 1500 rpm for highly polished floors with exceptional straight line cleaning.

### VERSATILE

Low profile for greater accessibility in hard-to-reach areas. Plus, floating pad drive adjusts for uneven surfaces.

## ORBIS ORBITAL 1500

A powerful single disc machine combining orbital and rotary motion in one, providing constant vibration that increases cleaning efficiency.

### EFFICIENT

Roto-orbital movement gives great stability and enhances the performance compared with a single disc machine.

### SIMPLE

Easy to use and manoeuvre. Plus, large wheels for easy transportation.

### EFFECTIVE

The chassis can be lifted above the motor to increase working pressure, making cleaning more effective.

## VALET AQUA 20 HEAVY DUTY

A robust, wet and dry vacuum designed for heavy duty commercial use, combining both power and ease of use.

**SIMPLE**  
Easy switch between wet and dry use.

**EFFECTIVE**  
20 litre capacity and compact size tailors the machine to smaller cleaning areas.

**ACCESSORIES**  
Supplied with full set of tools.

## VALET AQUA 55 HEAVY DUTY

A commercial wet and dry vacuum cleaner, combining both high productivity and exceptional cleaning results. Features a large tank capacity for medium sized cleaning areas.

**VERSATILE**  
Swivel hose connector allows for 360° hose rotation, allowing the vacuum to be moved without fear of disconnecting.

**EASY**  
Tank hinges on frame for easy 'tip and pour' emptying.

**DURABLE**  
Polyethylene tank for durability and ease of use.

## VALET AQUA 75 INDUSTRIAL

An industrial twin-motor wet and dry vacuum cleaner, featuring a 75 litre capacity tank for ultimate productivity of large cleaning areas.

**DURABLE**  
18 gauge stainless steel tank for durability.

**EFFECTIVE**  
Twin motors give the airflow required for extreme industrial performance.

**ACCESSORIES**  
Supplied with full set of tools (excludes FM200 fixed floor nozzle).

# CARPET CLEANERS

Truvox's high-quality carpet cleaning machines are specifically engineered to tackle tough stains, dirt and debris by combining the power of injection, agitation, and extraction to effectively remove dirt and restore freshness to carpets and upholstery. From small portable spot cleaning machines to large area cleaning with agitating brushes, there's a machine to suit your cleaning requirements.

## IDEAL FOR

## FLOOR TYPES

# HYDROMIST® COMPACT

A compact all-in-one machine for carpet and upholstery cleaning, with an agitating brush that provides high productivity and excellent cleaning results.

SCAN TO WATCH THE VIDEO

MANUFACTURED IN GREAT BRITAIN

**COMPACT**  
Handle folds down for storage and transportation in vehicles.

**CAPACITY**  
14 litre solution tank for high productivity.

**EFFECTIVE**  
24cm cleaning width, ideal for small to medium carpeted areas.

**EASY**  
Simple switches for ease of use.

**ACCESSORIES**  
Optional upholstery kit for detailed cleaning.

**CONVENIENT**  
Removable recovery tank for easy emptying.

**POWERFUL**  
Rotating brush gives a deep clean and revives carpets. Plus, powerful vacuum allows carpets to dry quicker.

## HYDROMIST® LITE

An entry-level professional carpet and upholstery cleaner, providing exceptional cleaning results and outstanding value for money.

### SIMPLE

Independent spray and vacuum controls for greater cleaning flexibility.

### COMPACT

Lightweight and easy to carry, this machine is easy to manoeuvre and transport between jobs.

### ACCESSORIES

Comes complete with tools for cleaning carpets, upholstery and car interiors.

## HYDROMIST® 10 / 20HD

Compact and powerful carpet and upholstery cleaners that are easy to use.

### COMPACT

Compact size enables cleaning in confined areas.

### SIMPLE

Clear and separate controls that are labelled and illuminate when switched on.

### EFFICIENT

Strong 1100W vacuum maximises solution recovery, minimising carpet drying time.

## HYDROMIST® 35

An all-in-one carpet cleaner with an agitating brush that cleans in a single pass, providing a deep, powerful clean.

### EFFICIENT

35 litre capacity and 45cm cleaning path ideal for large carpeted areas.

### SIMPLE

Separate vacuum, brush and pump switches for greater cleaning flexibility.

### POWERFUL

Floating brush head maintains contact with the carpet for improved agitation and revives carpet pile.

## HYDROMIST® 55 100 / 400

With two models available, the Hydromist 55 machines offer a professional and cost-effective solution for cleaning medium to large sized carpeted areas.

### EFFICIENT

Powerful twin 2-stage vacuum motors that provide excellent solution recovery and minimise drying time.

### VERSATILE

Variable spray injection of up to 400 psi on 55/400 model. Plus, inline heater.

### ACCESSORIES

Optional wands and upholstery tools available for carpet and detail cleaning.

# CIMEX™ THREE BRUSH

Truvox's Cimex floor cleaning machines utilise a unique counter-rotating triple brush system that agitates, cleans and polishes virtually every floor type with ease. Whether it's removing stubborn dirt, grime or restoring floors, Cimex machines excel in delivering outstanding performance.

## IDEAL FOR

## FLOOR TYPES

# CIMEX™ CYCLONE

Cimex™ Cyclone scrubber / polishers are multi-purpose, powerful machines, suitable for scrubbing, cleaning and polishing virtually every floor type.

**THREE BRUSH CONTRA-ROTATING**  
For unbeatable scrubbing, these scrubber dryers are simple to operate and extremely efficient.

**PRODUCTIVE**  
Reversing brush action extends brush life.

**ACCESSORIES**  
A complete range of brushes are available for carpet shampooing, scrubbing hard floors, cleaning quarry tiles and uneven surfaces.

**CIMEX-ENCAP™**  
A high productivity, cost effective, low moisture carpet cleaning system, which is six times more productive than a single disc rotary when cleaning carpets.

**VERSATILE**  
Ideal for scrubbing, polishing and cleaning virtually all floor types including vinyl, ceramic and uneven surfaces.

**EFFICIENT**  
Non-marking wheels for a truly professional finish.

**EFFECTIVE**  
Floating brushes provide effective cleaning action of grout lines, slip resistant floors and textured natural stone.

## CIMEX™ HEAVY DUTY

Powerful, heavy-duty machines ideal for scarifying, industrial cleaning and floor preparation.

**VERSATILE**  
All HD models are supplied with two 17kg ballast weights for more aggressive scarifying.

**EFFECTIVE**  
Floating brushes effective on uneven surfaces.

# ESCALATOR /SWEEPERS

Truvox's Escalator cleaner is designed to effectively clean escalators, travelators and walkways, ensuring they remain in optimal condition and present a clean and professional appearance in various public spaces such as airports, shopping centres and train stations. The compact entry level manual sweeper is easy to use to keep indoor and outdoor areas tidy.

## IDEAL FOR

## FLOOR TYPES

## TRUSWEEP 460

An effective manual floor sweeper which is lightweight, easy to push and highly productive. Perfect for collecting litter and debris from hard floors.

- SIMPLE**  
Due to its lightweight and robust construction, this sweeper is easy to operate and highly manoeuvrable.
- PRODUCTIVITY**  
Large 40 litre capacity and 65cm cleaning path for maximum productivity.
- VERSATILE**  
Suitable for indoor and outdoor use. Plus, brush pressure can be adjusted to suit floor conditions and types of debris.

# AIR MOVERS

These portable machines generate a high-velocity airflow that helps to evaporate moisture efficiently, speeding up the drying process. Ideal for use after floods, spillages and extraction cleaning.

## IDEAL FOR

## FLOOR TYPES

We accept nothing less than the highest quality products, top performance, and excellent service.

Our dedication to our customers does not stop at the sale.

We are committed to exceeding the expectations and needs of our customers.

### AM3000

A compact and portable blower that has three speeds for high productivity and to help dry areas after cleaning or water damage.

**POWERFUL**  
Three-speed switch to select the optimal airflow for the job.

**FLEXIBLE**  
3 operating positions to help direct airflow to the right areas.

**EFFECTIVE**  
High airflow for rapid drying.

### HYBRID BLOWER 3400

A lightweight, compact carpet and room dryer, offering high performance and practicality while significantly reducing drying time.

**SIMPLE**  
An easy-to-use solution, ideal for use after floods, spillages or extraction cleaning.

**LIGHTWEIGHT**  
Weighing only 8kg, this machine is more compact in size than a traditional blower.

**EFFICIENT**  
Aids air circulation and ventilation.
